

Initial Reflection - Completed after 5 hours after the start of your project

1. What do you want to achieve by completing this project? What's your end goal?
2. What skills do you want to be able to do, get better at, learn about, or try to master by the end of this process?
3. What are the steps/jobs/tasks you will have to complete for this project? What type of Collaboration will you have to use to get this project done?
4. How will you communicate and monitor your progress toward reaching your goals?
5. How will you gather feedback from your teachers and classmates to help you with your project?
6. What problems or difficulties might you need to overcome in order to meet your project goal?
