

Midpoint Reflection - Completed near the halfway point of your project

1. What have you (learned/accomplished/made/built/written/designed/experimented with) so far?
2. What skills and tools have you used (or developed) as you work on your project?
3. Are you on track to meet your project goals?
4. What difficulties are you facing?
5. What changes to your project, if any, will you need to make? Why?
6. What feedback have you received from your teachers and/or classmates so far?
7. How will you use teacher/classmate feedback to modify or improve your project?
8. What are the next steps needed in order to meet your project/objectives?
